The Legacy LHP Network

## What is the Legacy LHP Network?

This accountable health network serves the Portland metro area, with access to over 6,000 providers and 18 urgent care centers across Multnomah, Clackamas, Columbia and Washington counties and in parts of Marion County in Oregon, as well as Clark County in Washington. This clinically integrated network includes all Legacy medical centers in Oregon and Washington, Randall Children's Hospital at Legacy Emanuel, and primary care and family practice providers across the area. You can visit GoHealth Urgent Care in person. Plus you have 24/7/365 access to virtual care through Doctor On Demand.

What happens if you choose an out-of-network provider?

All of our medical plans are Exclusive Provider Organization (EPO) plans, which offer no coverage outside the network (except urgent and emergency care). To avoid surprise bills, you must be very careful to always see an in-network provider. Find in-network providers at regence.com. Or call Customer Service at 1-888-REGENCE (734-3623).

When you're traveling

Urgent care, emergency facilities and ambulance services are in-network as long as you use BlueCard® when traveling outside Idaho, Oregon, Utah and Washington. With plans on this network, there is no coverage outside the network (except for urgent and emergency care)—so you must be very careful to always see an in-network provider. You also have 24/7/365 access to virtual care through Legacy Health Partners or Doctor On Demand if you are traveling outside the state. Out-of-network urgent care is paid as in-network, subject to balance billing.

Download the Regence app!

The Regence app is available for free for Android and iOS. It gives on-the-go access to a digital member ID card. In addition to seeing claims and benefit information, you can use it to find in-network doctors and estimate costs.

Hospitals

You can find an in-network doctor at regence.com or call Customer Service at 1-888-REGENCE (734-3623).
